

Join us for a night of delicious, succulent seafood in a collaboration with our local partner Stoney the Fishmonger.

Stoney has been a purveyor of fine seafood for 12 years, servicing the best restaurants in the region, including Rosalie House from the day we opened our doors.

We're proud to work with them every week to bring our guests the very best seasonal catches, and we're excited to bring you our first collaboration in our Chilli Crab Night.

Please share your experience and photos with us on Instagram and Facebook, and don't forget to tag us: #rosaliehouse and @rosaliehouse.
